LARGE DECORATIVE URN MI 039

Large Decorative Urn MI 039

Model: **MI 039**

This stunning urn is both a great focal point and versatile as well.

The deeply moulded detail is extensive: from the fluted stepped base, extending to the waist, to the upper banding of scrolled and stylised foliage, roses and curliques.

The 2 projecting handles are represented by horned leprechaun-like faces reminiscent of Medieval Church

The Classic Chair Company
carvings.

The lid is similarly detailed with acanthus and palm leaves, with a deeply moulded top knot.

The model is hand painted in a pale grey carrara marble effect, with a soft sheen finish.

Size (mm) 290 dia. x 500 h including the lid.

Stock: 1 remaining

Material: Resin
