PIE CRUST SIDE TABLE

Pie crust side table

Model TA-TTS

So many fantastic features: including the elegant carved tripod legs, the slender turned pedestal and the birdcage tilting mechanism, with its banjo clip. .

The best of the 18th century examples had such carefully chosen wood for the tops that they tilted to form a "picture" and could be fully appreciated when not in use.

Very useful beside a chair for a lamp, drinks, flowers etc.

Dimension (mm) : Dia. 680 x 690 high

Stock : To order
