TROPHY MIRROR MR 083

Trophy Mirror MR 083

Model: MR 083

Fine Carved wooden long rectangular overmantel mirror.

Great for a long narrow wall space, for example in an entrance way, or between windows.

Features include a frame with reeded columns, supporting a carved entablature featuring a faux ivory surmount. The secondary entablature is painted with a rustic trophy of wheat sheaves and harvest tools.

Dimensions (mm): w 770 x 1430 h

Available gilded, and part-painted in your choice of colour. (your own choice of the decoration to the secondary entablature can be provided, to order)

For a similarly sized overmantel mirror please see the following link:
