LINFOLD CABINET-CUPBOARD CB 010 MNC

Linenfold cabinet- 2 door cupboard

Model: CB 010

A very striking cabinet for multiple applications. The carving of the linfold is a difficult and time consuming process, as is the multiple layering needed to achieve the high gloss piano finish.

The finishing touch is the silver drop handles in the shape of a pleated tail.

An alternative option offered is faux bone handles in a brass ferrule.

A longer version of this linfold cabinet is also available with 4 doors, to order.

Additionally, it can be made with 3 drawers, to order.
