"Pineapple" carved lamp base

Model : LT 054-PIN

The base is in the classic shape of an urn, turned from solid wood and with intricate and detailed carved decoration.

It is a very attractive decorative accessory in its own right, and looks fabulous as a pair.

The Pineapple urn takes its name from the carved top finial, which can be removed to convert the urn to a lamp.

For a similar carved wooden urn please see the following link: [Hand Carved wooden Lamp base](#)

Dimension (mm) : W 250 D 250 H 480

Stock : **currently 2 in stock, painted Antique white with green detailing as per the photos.**
Other colourways and lamp conversion to order.
