KENSINGTON PIER TABLE

Model: TA-KC

The Kensington Pier Table is copied from one of a pair originally placed between French doors, but they would make a very imposing statement in any situation. Each large mythical animal monopodia is handcarved from solid wood, and gilded.

The back is mirrored between the fluted framing, with saw cut cross banding to the plinth and frieze, which has an added bonus: a concealed drawer.

An extended version is also available: [Kensington Pier Table \(Extended\)](#)

Dimensions (mm): w 780 d 470 h 760

PRODUCT DESCRIPTION

The Kensington Pier Table is copied from one of a pair originally placed between French doors. However, they would make a very imposing statement in any situation.

The large mythical animal supports are all handcarved from solid wood, and are then gilded and polished to a soft sheen.

The back is mirrored between the fluted framing, and the console has saw cut cross banding to the plinth.

There is also a very useful concealed drawer in the solid wood front frieze.

The back is mirrored.

An extended version is also available: [Kensington Pier Table \(Extended\)](#)
