ROBUR TEA.

Tea drinking

is a habit that greatly benefits mankind. It enables people to consume the amount of liquid necessary for the upkeep of the body, which, taken in the shape of tea, ensures the water being freed from germs, because the water must be boiled before the tea can be made, and drinking it hot warms the stomach, flushes the system, promotes circulation, and generally speaking soothes and refreshes the inner man, and so long as it is not allowed to overdraw in the making it acts as an excellent aid to digestion. It is believed by some people that the clear, soft skin for which English and Russian women in particular are noted, is in some way attributable to the amount of pure tea they drink.

"Robur" is pure tea—absolutely pure tea, and provided only ordinary care is observed in wetting it no other beverage known is its equal for regular everyday use.

"Special" Grade

is composed entirely of the youngest and most succulent shoots. It is very fine, delicate flavoured, rich tea. There is no better tea in all the world—no matter what price is paid. Quite recently it won the gold medal at the Paris Exhibition in competition with the very best tea procurable.

"No. 1" Grade

is fine, strong, good quality tea, with a delightful flavour. It is wonderfully saving, remarkably good tea. We recommend it for "rich class" family everyday use—it makes a splendid afternoon cup of tea.

"No. 2" Grade

is strong, full tea, with a fair amount of flavour, the kind of tea used liberally to suit for everyday family use. It is very saving, much more so than Ceylon or ordinary blended tea.

"No. 3" Grade

is good, sound tea, with moderate flavour and strength—it is not fine—still people who use this grade will tell you that it is quite good enough for anybody. We have families who have used it for years, and nothing would make them change.

The "ROBUR" Tea Co.,

JAMES SERVICE & CO., Proprietors,

Sydney, Melbourne, Brisbane, Perth, etc.

All Grades of Robur Tea
are obtainable from
ANTHONY HORDERN AND SONS,
Brickfield Hill, Sydney.
