HARMER EASY CHAIR

The Harmer easy chair classic

Model: CH-BHS1

The Harmer easy chair is truly a classic. Comfortable, and elegant, it is equally at home in a period or contemporary interior, and comes also in standard 2 and 3 seater versions. Additionally, custom lengths can be made to your requirements.

It features the ebonised detailing to the polished sabre legs, and Harmer's signature hoofed foot.

Historical note:

B Harmer is a largely unknown maker of the English Georgian period. Even to furniture historians, as there is very little surviving documentation about him. In fact, it is not even certain what The B. stands for. He is principally remembered for the magnificent drawing Room suite for Powderham Castle, and for his work based on the designs of Thomas Hope.

The Classic Chair Company

He also made the well documented dining chairs for William Shepherd (d.1815) of Russell Square, London.
