CLASSIC 'LOUIS XVI' DEMI LUNE CONSOLE

The very precise, delicate carving, faithfully copied from the original, gives an exactitude to each leaf, flute and patera of this French console or pier table. Its small size is particularly suited to the modern interior. Decorators and designers frequently specify this console in pairs. As with all our consoles, it can be gilded or painted to suit your requirements. The standard marble top is included, and we can offer a choice of limestone, granite or various coloured marbles - even a polished selected grain wooden top.
