CLASSIC FRENCH EASY CHAIR

Constructed throughout from hardwood with mortice and tenon joints (no nails, screws or staples), the French Easy Chair will give many years of hard usage. This model has very stylish detailing in the upholstery with the look of a very comfortable library or living room chair. Traditional upholstery methods together with a wide seat and back cushions combine to provide the comfort and the look. Equally at home in the traditional or modern interior, this chair can be upholstered in your choice of fabric, or in any colour leather.
