

THE RAM'S HEAD CHAIR

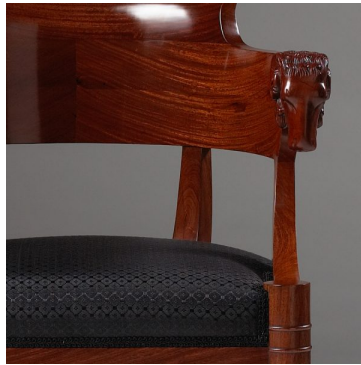

This is a wonderful chair copied from an early 19th century example by Jacob-Desmalter et Cie, who made furniture to both Louis XVI and Napoleon. The very deep klismos back of the chair is terminated in beautifully carved ram's heads; Each half of the solid wood back sections is carved out of 400mm thick timbers and ends in a smooth curved roll. The original still retains its black horsehair weave covering. Classic Chairs can supply horsehair if required and finish the upholstery with black gimp or your choice of fabric and finish

Model : CH-RH
